

# Americares helps people and communities around the world access health in times of disaster and every day.

## Emergency Programs

Americares responds to more than 35 natural disasters and humanitarian crises worldwide each year, establishes long-term recovery projects and brings disaster preparedness programs to vulnerable communities.

## Medicine Security

Americares is one of the world's leading nonprofit providers of donated medicine and medical supplies supporting more than 4,000 health centers each year.

## Health Services

Americares delivers and supports quality health services at Americares-run clinics and partners with local health centers to address the unique health needs of their communities, focusing on the root causes of illness and disease.

85

countries reached on average, including the United States

4,000

health centers supported in the U.S. and around the world

35

emergency responses every year, on average

Americares is a health-focused relief and development organization that helps people and communities around the world access health in times of disaster and every day. Each year, Americares reaches 85 countries on average, including the United States, with life-changing health programs, medicine, medical supplies and emergency aid. Americares is one of the world's leading nonprofit providers of donated medicine and medical supplies. For more information, visit [americares.org](https://www.americares.org).

## Trusted, Efficient and Effective

Americares is ranked as a top charity by Forbes and has earned a 4-star rating from Charity Navigator.

## What We Do:

- Help communities prepare for, respond to and recover from disasters;
- Increase accessibility, availability, affordability and acceptability of medicine and medical supplies;
- Improve and expand clinical services;
- Prevent disease and promote good health.
